

APPLICATION FOR ADMISSION TO THE ACCESS FOR SUCCESS PROGRAMME IN 2024

Presented by Academy for Environmental Leadership SA (Pty) Ltd

Closing date for applications: 2 February 2024

General:

This application is for provisional admission to the A4S programme. Should this provisional application be accepted, you will be required to furnish further particulars. Your application will only be finally considered once you have furnished us with your NSC certificate.

To qualify for admission to the Access for Success (“A4S”) programme applicants must:

- Be in grade 12 in 2022 or 2023;
- Have passed the National Senior Certificate with at least 40% for Mathematics;
- Have passed the National Senior Certificate with at least 40% for Physical Sciences;
- Have passed the National Senior Certificate with at least 50% for English as Home Language or First Additional Language;
- Have passed the other subjects from the group of subjects designated for university admission with at least 50%;
- Have passed the National Senior Certificate with at least a 50% average (excluding Life Orientation).

Students with Mathematical Literacy will not be accepted.

What the programme offers:

The yearlong A4S programme offers you an opportunity to improve your Grade 12 Mathematics and Physical Science marks if you are willing to work hard.

Selected learners embark on a one-year focused programme. Learners will receive 10 hours of tuition per week (Mondays to Saturdays) in both Mathematics and Physics. The purpose is to improve learners’ scores in the National Senior Certificate (Gr12) in these essential subjects to a level where they qualify for admission into an university to prepare themselves for critically important occupations in STEM (science, technology, engineering, and mathematics) professions. Due to time and logistical constraints, unless special arrangements can timeously be made which do not interfere with the A4S programme or classes, learners will not be allowed to re-write any other subjects.

It is in your own interest to ensure that this form is completed in full.
